

The equipment want.  
The services you need.

Our 30,000 sq. ft. facility provides exactly what you need it, exactly when you need it.

## Equipment Rentals

Readily available, full line of Inspection Technologies and Measurement & Sensing equipment

### Inspection Technologies

#### Remote Visual Inspection Devices

- XLG3™ VideoProbe®
- XLGO™ VideoProbe®
- XLG3™ LongSteer®
- XL Pro Plus VideoProbe®
- XL Go Plus VideoProbe®
- ROVVER® 5.0 100mm Crawler
- RVVER® 5.0 125mm Crawler
- Ritec Ca-Zoom® PTZ 6.2 Push Camera
- Mentor Visual IQ Video Probe

#### Portable Ultrasonic & Electromagnetic Products

- DM5E - Thickness Gauge w/DL
- DMS 2 - Thickness Gauge
- USM Go - Flaw Detector
- USM 35X BNC - Flaw Detector
- USN 60 SW - Flaw Detector

- Phasac 3 Series - Flaw Detector
- Phasor XS - Phased Array Flaw Detector
- MIC 10 – Hardness Tester
- MIC 20 – Hardness Tester requires probe
- MIC 205A - Load Standard Probe

#### Radiography

- CRxFlex Scanner
- Generator, Friedmann 180kV
- FS50B - Film Digitizer
- DXR250U-W - Wireless X-Ray Detector
- CRxVision Scanner

#### Positive Material Identification (PMI)

- XL PMI
- XL PMI+
- XL PMI+ Ultra

### Measurement & Sensing

#### Flow, Gas and Moisture Instruments

- Transport PT878GC - Portable Ultrasonic Gas Flow Meter
- Transport PT878 - Portable Ultrasonic Liquid Flow Meter
- PM 880 - Portable Hygrometer Moisture Analyzer
- GF 868 - Digital Flow Flare Flow Meter
- DF 868 - Digital Flow Liquid Flow Meter
- AT 868 -Aquatrans Liquid Flow Meter
- OXY.IQ -IQ Oxygen Transmitter
- Moisture.IQ -IQ Series Moisture Analyzer

#### Pressure Instruments

- DPI 620 Temp & Frequency Calibrator

## Spare Parts and Accessories

Broad, on-site inventory of Inspection Technologies and spare parts & accessories

### Inspection Technologies

#### Radiography

- CRxFlex Rigid Cassette
- CRxFlex IP Adapter
- Flexible Cassette
- Imaging Plate
- System accessories

#### Remote Visual Inspection

- XL Vu Video Borescope / Fiberscope
- Mentor Visual IQ Video Probe

#### Portable Ultrasonic & Electromagnetic Products

- USM GO - Flaw Detector/Thickness Gauge
- DMS GO - Flaw Detector/Thickness Gauge
- Mentor EM - ET Weld Inspection
- MS Probes
- CR & MS Wedges
- Test Block & Cal Block

#### Portable Ultrasonic & Electromagnetic Products (continued)

- Delay Lines
- Batteries & Cables
- Chargers & Adapters
- USM 36
- USN 60

[CONTINUED >](#)

Performing repairs for GE Inspection Technologies' product line, an ISO 9001 compliant operation.

## Repairs

Quick-turn calibration and repairs of Ultrasound Tech and Electromagnetic NDT products

### Calibration: Portable Ultrasonic & Electromagnetic NDT Products

- USM GO - Ultrasonic Flow Detector
- DMS GO - Ultrasonic Thickness Gauge
- USN 60 - Ultrasonic Flaw Detector
- USN 58 - Ultrasonic Flaw Detector
- USN 52 - Ultrasonic Flaw Detector
- USN 50 - Ultrasonic Flaw Detector
- MIC10 - Hardness Tester
- MIC20 - Hardness Tester
- DM4 - Ultrasonic Thickness Gauge
- DM5 - Ultrasonic Thickness Gauge
- DMS - Ultrasonic Thickness Gauge
- DMS 2 - Ultrasonic Thickness Gauge
- PHASEC 3 - Electromagnetic Flaw Detector
- T-Mike - Ultrasonic Thickness Gauge
- USM 35 - Ultrasonic Flaw Detector
- USM 36 - Ultrasonic Flaw Detector

### Repairs Portable Ultrasonic & Electromagnetic NDT Products

- USM GO - Ultrasonic Flow Detector
- DMS GO - Ultrasonic Thickness Gauge
- USN 60 - Ultrasonic Flaw Detector
- MIC10 - Hardness Tester
- MIC20 - Hardness Tester

## Training and Applications Lab

Instruction, training and hands-on demos of the latest equipment and processes. Examples of training classes available include:

### Inspection Technologies

- Eddy Current Testing
- Ultrasonic Testing (including Phased Array)
- Visual Testing
- Digital Radiographic Testing

### Measurement & Sensing

- Gas Flow Measurement System
- Liquid Flow Measurement System
- Moisture Measurement

### Flow & Process Technologies

- End-User Power & Process
- GTC Shop & Field Service
- MARC Valve Repair Mechanic

### Bently Nevada

- System 1 Fundamentals
- 3500 Operations & Maintenance
- Balancing
